

Our Logo

Respecting our logo is a matter of pride, purpose and protection. We ask that you use our logo consistently and tastefully.

Digital art is the best way to get a sharp clean image of our logo. For reproduction use only the digital files provided. It is not acceptable to recreate or modify the authorized artwork nor to reproduce the logo from a printed sample or photocopy. Do not change or alter fonts.

Sizing: The logo should never be reproduced smaller than 2" wide and the byline YOUR CLIMATE CONTROL EXPERT should never be smaller than 9 pt. There are certain print and embroidery methods where the screen in the circle may be removed.
